

Mr. Dan Packard
Distinguished Service Award Inductee
Athletic Hall of Fame – Class of 2025

Dan Packard graduated from Holton High School in 1977. As an accomplished athlete himself, Mr. Packard has become one of Holton Athletics' biggest supporters. Over the past several years, he can frequently be seen at many Holton Athletic events home or away. From youth leagues to varsity competitions, Mr. Packard can be seen rain or shine with his camera and encouragement.

Mr. Packard has become a skilled photographer capturing incredible moments of Holton athletes. His photos tell the story of our Holton athletes which includes triumph, adversity, teamwork, and pride. Mr. Packard posts the photos he takes to social media for our athletes, families, and community to enjoy and provides these cherished memories for a lifetime. Always quick to dismiss any accolades, his humbleness and desire to be out of the spotlight only add to the deep appreciation the Holton community has for him. Mr. Packard is a perfect example of being "loyal to you Holton High."

Mr. Packard's years of dedication and service to Holton Athletics are inspiring. For his amazing contributions, the Holton Athletics Hall of Fame Board is honored to induct Mr. Dan Packard.
