

**James Kruszynski**  
**Class of 1977**  
**Male Athlete Inductee**

Jim Kruszynski graduated from Holton High School in 1977. Kruszynski was a multi-sport athlete during his time at Holton High School. As a track, basketball, baseball, and golf athlete, he demonstrated athletic excellence and served as an example of school pride.

Kruszynski was a staple on athletic teams throughout his time at Holton High School. The consistent support and skill he provided his team and teammates helped establish a strong legacy for future athletes to follow. Kruszynski modeled what student athletes should look like at Holton High School through his hard work, dedication, and sportsmanship.

As a golfer, Kruszynski demonstrated natural golf skills. Joining a newly added golf team in high school, both coaches and golfers were learning the sport of golf. Kruszynski quickly became a top golfer for the team. He became the Class D Regional Individual Champion after earning a score of 71 outscoring second place by nine strokes and setting a school record.

Kruszynski went on to Ferris State University where he earned a degree in Professional Golf Management. He went on to serve as a Golf Professional at Saginaw Country Club. Kruszynski has stayed connected to the Holton community by volunteering in his sister Kim's classroom at the elementary school and, in recent years, by mentoring a Holton golfer who went on to set the school's female 18-hole record.

Kruszynski's athletic success as a golfer and overall athlete make him a worthy inductee into the Holton Athletics Hall of Fame.
