KNOW Your Schools

Vol 21, Issue 2, November 2026 Rooted in Community, Reaching for Excellence, Ready for the Future.

Superintendent's Message

Dear Holton Community:

I hope you have enjoyed the beautiful fall weather! Between the color show and mild temperatures, West Michigan sure is a great place to be. As we head into the season of gratitude, I remain incredibly grateful to the amazing Holton community and the tremendous support you show our students, staff, and school district. I hope you have a wonderful holiday season!

District Celebrations: This fall, our students excelled on football fields, cross country and golf courses, and volleyball courts. Several of our student athletes earned West Michigan Conference and state honors. Students are also excelling in the classroom. This includes presenting inventions to better understand history, constructing projects to deepen math concepts, and learning strategies to become better readers and learners. We also continue to improve support for students with added interventions, literacy programs, and teams dedicated to connecting interventions with students. There are great things happening at Holton Public Schools!

Distinguished Alumni Nominations: The Holton Education Foundation Board is seeking nominations for their Distinguished Alumni Award. Nominations are due Friday, January 8, 2027. If you know a Holton Alumnus who is doing amazing work in their community, please nominate them! Nominations can be submitted at: https://goo.gl/forms/35usBiFD0qEsLVBx1. One nominee will be selected to be recognized at Red Devil Legacy Night on March 20, 2027.

Cold and Flu Season: As we experience various circulating illnesses, we wanted to share a reminder that we have a Hackley Community Care School Nurse, Amanda Giddings, available to help connect medical care to your child. Nurse Amanda can help assess your child for illness or connect with a medical provider for further diagnosis. All of this can happen right at school! Feel free to contact Hackley Community Care to learn more. The phone number to Hackley Community Care is (231) 733-6692.

Winter Weather: As amazing as the mild fall has been, I'm sure snow flurries will be here soon. Occasionally, winter weather can impact our ability to have school. Should school need to close due to weather, we will communicate this out through our all call system, website, local TV stations, and social media pages. Please make sure your contact information is up to date in PowerSchool so that you are notified of snow days and other important announcements. If you need any help with this, please contact the building offices.

Best Financial Debit Card: Through our partnership, Best Financial offers a Holton debit card that provides funds to our Fine Arts and Athletics Programs! Best Financial presented a check this year for $1500 to support these student programs. Stop into Best Financial to learn more about this program and show your Holton pride every time you use your debit card! HPS is grateful for all of our community partners including Best Financial!

With the Thanksgiving season upon us, I hope you are able to celebrate with all of those who bring you joy. We have so much to be grateful for as a community. I am very proud of this place! I'm wishing you all a safe and healthy holiday season! On Holton!

With Great Respect and Pride,
Dr. Adam Bayne

Class of 1976

Alumni from the Class of 1976 were recognized at the Homecoming Game in honor of their graduation from Holton High School 50 years ago. Holton High School alumni were also treated to dinner in the Alumni Tent prior to the game where they spent time reminiscing and reconnecting with old friends.

A Message from the Principal

Dear Holton Community,

I hope this message finds you well. As we move into the heart of November, I'd like to take a moment to celebrate our recent accomplishments and share some exciting news about what lies ahead for our district. We have just wrapped up the first marking period, and I couldn't be prouder of our students and staff. Their dedication and hard work throughout the quarter have been truly commendable. With the first nine weeks behind us, this is a perfect opportunity for students to reflect on their academic progress and set goals for continued success.

To support that success, we encourage all students to come to class prepared with their necessary materials each day. For those seeking additional guidance, we continue to offer a robust variety of resources. Please remind your student to reach out to their teachers, utilize the After School Tutorial and Testing Center, or explore community programs like TrueNorth Project FOCUS, which is available up to the 10th grade. National Honor Society tutoring is also available through Mrs. Schulz. These academic supports are designed to ensure every Red Devil has the tools to thrive.

Looking to the future, we are thrilled to announce that Holton Public Schools has received a competitive state grant that will fully fund a brand new MEERA lab for the upcoming school year. MEERA stands for Manufacturing and Engineering Education Reimagined for All. This state-of-the-art facility will introduce our students to high-demand career pathways through immersive, hands-on technology. The lab will feature cutting-edge equipment, including 3D printers, CNC machining tools, robotic systems, and even Virtual Reality (VR) welding simulators. By integrating these industry-standard tools into our curriculum, we aim to spark early interest in STEM, automation, and advanced manufacturing, preparing our students for the modern workforce long before they graduate.

We also want to extend a heartfelt thank you to our student-athletes, coaches, and families for an outstanding fall sports season. Our teams demonstrated incredible commitment and undeniable Red Devil pride, and we are deeply grateful for their collective effort and sportsmanship. As the seasons change, we are excited to kick off our winter sports programs. Be sure to check the upcoming schedules and come out to cheer on our teams. Your energy in the stands makes a real impact!

Thank you for your continued partnership and support of Holton Public Schools. We remain firmly committed to providing a well-rounded, enriching, and forward-thinking educational experience for every student.

Warm regards,
Erik Carlson, Principal

UPCOMING EVENTS

Milestones!
Jordan Cassel - 1 Gallon,
Heather Schulz - 3 Gallons!

Join the National Honor Society for our next Versiti Blood Drive in the High School Fitness Center Wednesday, December 8th between 8:30am and 2:30pm.

Competitive Writing Team

Mr. Spadafore and Mrs. Kaiser recently took the Holton Competitive Writing Team on a trip to Chicago to visit the American Writers Museum. The American Writers Museum is a one of a kind museum that specifically celebrates American literary accomplishments. It was an excellent visit! In addition, students visited the Chicago Cultural Center and the famous Newberry Public Library. Overall, it was an excellent trip for our Holton writers!

POWDERPUFF 2026

The HS Student Council Kicked off Homecoming 2026 with the Powderpuff Game on September 27th.

This year our teams were Pink and Purple. The Pink Team was coached by Brodey Gould and BJ Smith.

The Purple Team was coached by Kaleb Kitchka and Garrett Lulofs.

The Cheerleaders were coached by Kaitlynn Hoffmejer and Morgan Schropp.

The PINK TEAM was VICTORIOUS over the Purple Team. A FUN time was had by all!

Back Row Left to Right: *Referees: Varsity Football Coaches - Michael Romero, Head Coach Tom Threatt (Purple Team Coaches - Kaleb Kitchka and Garrett Lulofs), (Pink Team Coaches - Brodey Gould and BJ Smith), Referees: Football Coaches - Dalton Giddings and Chad Giffen.*

DAWN RIZLEY
Student Athlete of the Month

Dawn Rizley, a long time teacher at Holton, was the biggest fan of all Red Devil Athletes! Because of this, Dawn's family graciously requested that, in lieu of flowers, money be contributed to the Holton Athletics Fund. Those contributions were used to purchase the Dawn Rizley Student Athlete of the Month plaque. We are so thankful for this gift and that Dawn's love for Red Devil Athletes will live on.

"You are Loved" - Dawn Rizley

A Message from the Principal

Growing Together at Holton Elementary

Dear Holton Community,

There is something truly special about the beginning of a new school year. The excitement of students walking through our doors, the smiles of familiar faces, and the energy filling our hallways remind us why we do what we do. As we begin the 2026–2027 school year, I am filled with gratitude and excitement for all that lies ahead for our Holton Heroes!

At Holton Elementary, our focus continues to be creating a school where every child feels safe, valued, connected, and capable of achieving great things. Through our Holton Heroes initiative, we are intentionally teaching and celebrating our RED expectations: Respect, Effort, and Dependability. These are more than expectations; they are life skills we hope our students carry with them far beyond our elementary hallways. We are especially excited to continue building connections across grade levels, creating opportunities for students to develop leadership, friendships, and a strong sense of belonging.

Academically, our staff continues to work incredibly hard to strengthen instruction and meet the individual needs of our learners. Literacy remains a major priority as we focus on building strong foundational reading skills, using student data to guide instruction, and providing meaningful support to help every child grow. Our goal is not simply academic achievement, but helping students develop confidence, curiosity, perseverance, and a love for learning.

One of the things I love most about Holton is the incredible sense of community. Whether it is families showing up for school events, volunteers lending a helping hand, or our high school athletes greeting elementary students with high-fives and fist bumps on Friday mornings, these moments matter. They remind our children that they are surrounded by people who believe in them and are cheering them on. Great schools are not built by one person or one program. They are built by people who care deeply about children and work together to help them succeed.

As a school leader, I often think about the importance of *watering the flowers*. Just as flowers need care, encouragement, and the right conditions to grow, so do our students and staff. When we take time to celebrate successes, recognize effort, build relationships, and support one another through challenges, incredible growth happens. Not every day will be easy, but we will continue to remind our students that together, we can do hard things.

As we move forward in this school year, I want to extend a heartfelt thank you to our dedicated staff, our supportive families, and our entire Holton community. Thank you for trusting us, partnering with us, and continuing to pour into our children. There is so much to celebrate and even more to look forward to!

Here's to another year of growing, learning, and making a difference, one Holton Hero at a time!

With Gratitude, Stephanie Callow, Elementary Principal, Holton Public Schools

Snow Plow Safety Visit!

Holton Elementary was excited to welcome the Muskegon County Road Commission on October 2nd! Our students learned important snow plow safety tips and had the opportunity to check out the big trucks up close. It was a fun and educational visit that helped our students learn how to stay safe around snow plows and winter road equipment!

Help Us Support Our Holton Heroes!

At Holton Elementary, it truly takes a village, and we are so grateful for our amazing families and community! We are looking for donations of a few everyday items that help keep our school running smoothly and our Heroes happy, healthy, and ready to learn!

Donations of any size are greatly appreciated and can be dropped off at the Holton Elementary Office.

Thank you for continuing to pour into our students and staff! Your kindness and generosity make a difference in the little moments that matter most. We are so fortunate to be part of a community that shows up for our Holton Heroes!

September Heroes of the Month

We are proud to recognize our September Heroes of the Month! These students were selected by their teachers for consistently demonstrating our RED expectations of Respect, Effort, and Dependability throughout the month.

Our September Heroes were celebrated during a special all-school assembly held on Friday, October 2nd. During the assembly, each student was presented with a certificate and a personalized note highlighting the qualities and actions that earned them this recognition. Students also enjoyed a special cookie treat in honor of their accomplishment.

In addition, our Heroes of the Month will be featured on the Hero of the Month bulletin board so that their achievements can be celebrated by the entire school community.

We would like to extend a sincere thank you to the family members who attended the assembly. Your presence and encouragement help make this recognition even more meaningful for our students.

Congratulations to the students listed below for being named our September Heroes of the Month! We are proud of the positive example they set each day and grateful for the contributions they make to our school community.

Meet Our New Staff

Olivia Landers

Elementary Paraprofessional

Hi everyone! I'm Olivia! I'm a proud Holton graduate, and I'm so excited to be back in the same small community I grew up in! I've always loved the close-knit, small-town feel of Holton, which makes this opportunity even more special. Outside of school, I'm a busy mom of four! We love spending time outdoors, going on little adventures, making memories, and enjoying time together. In my free time, I love reading and spending time outdoors with my family. I'm so excited for this new chapter and to be part of the Holton family again, just in a different way!

Madison Berles

Fourth Grade Teacher

Hello Holton Families! My name is Madison Berles! I am the new 4th grade teacher and I am so excited to start this journey! I live in Fremont with my husband and two daughters. We all have grown up in the area our whole lives and love the community! I'm so excited to share my love for learning with the 2026-27 fourth graders. I look forward to many more years!

Joel Johnson

Facilities Director

I am excited to step into the role of Facilities Director. I graduated from Holton High School in 2005, after high school I worked for the boilermakers, traveling the country working in nuclear power plants, refineries, paper mills, historical restoration, water towers, oil tanks, smokestacks and construction and demolition projects. Most recently, I have served as a mechanic at the Muskegon County Road Commission. My wife of 14 years, Val, is a Holton High School graduate and serves as a local veterinarian. Val and I have three amazing children, one is a preschooler at Holton. I am proud to return to Holton to serve my community.

Jacquelyn Ball

PBIS Instructional Coach

Hello! I spent over 30 years in general and special education at Fruitport Schools before retiring four years ago. Since then, I've worked as a literacy and PBIS coach. I also teach driver education at Buckle In Driving Academy and enjoy traveling with my husband, who recently retired. We're also celebrating a big milestone this December as both of our daughters graduate—one with a BSN in nursing and the other with her second degree in radiologic technology. I'm excited to join the Holton team as a secondary PBIS coach and look forward to working with the staff to support student success.

Sephram Raymond

PBIS Instructional Coach

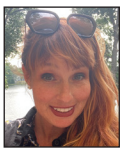

Hello, Holton families! I am so excited to be back at Holton Public Schools as the Elementary PBIS Instructional Coach! Having previously served as Holton's Director of Instructional and Intervention Services, returning to this wonderful school community truly feels like coming home.

Throughout my career, I've served as a teacher, instructional coach, building administrator, and district leader. What I've always loved most is working alongside educators to make a positive difference for students. In my new role, I look forward to partnering with teachers, celebrating what's working, and finding ways to help every student feel supported, successful, and connected.

When I'm not at school, you'll likely find me spending time with my husband, our four children and four grandchildren, and our two English Setters, Willow and Ember. We love spending time at our cabin, traveling, and enjoying the outdoors!

It's wonderful to be back with the Holton community.

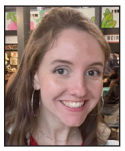

Once a Red Devil, always a Red Devil! On Holton!

Bobbi Gauthier

Elementary Paraprofessional

Hi! I'm Bobbi, and I'm excited to be part of the Holton school community. I have five years of experience working as a paraprofessional and had the opportunity to substitute at Holton Elementary last year. I'm a mom of four—two of my children currently attend Holton, while my other two have graduated. In my free time, I enjoy reading, running, and spending time with animals. I have chickens and ducks at home, which keep life fun and busy! I'm looking forward to getting to know the students and families and having a wonderful school year.

Tai Johnson

Elementary PE Teacher

Hello! My name is Tai Johnson and I will be the new Elementary Physical Education Teacher this year. I recently graduated from Grand Valley State University with a Graduate Teaching Certificate, and have majored in Health & Physical Education, as well as Film & Video Production, and minored in Psychology! I'm originally from Niles, Michigan, but have been living in Grand Rapids for the past 7 years. Outside of teaching I enjoy camping, swimming, bike riding, singing karaoke, and writing! I am super excited to jump into my first year here at Holton!

Kaylee Golder

Elementary Special Ed Teacher

My name is Kaylee, but the kids know me as Ms. G! I recently moved from southwest Virginia back in August after graduating with my Master's. This is my first year teaching, but I am excited to be a part of the Holton community and have a great school year.

Courtney Tinkham

Secondary Paraprofessional

Hello! I am very excited for my new role as a parapro at Holton middle school. I currently live in Hesperia with my husband and our 4 fabulous children. Besides working at Holton school, I also coach varsity sideline cheerleading at Hesperia. When I am not working or coaching I am watching my kids play sports. Also my family and I love to take vacations whenever possible. I look forward to helping students at Holton to learn and be successful and I am super thankful for the opportunity to do so.

Victoria Gage

Secondary Social Worker

Hello Holton! I am so excited to be joining the Holton team as your new Secondary School Social Worker! I recently graduated from Michigan State University in May with my Masters in Clinical Social Work, and received my Bachelors of Social Work from Western Michigan University in 2022. I grew up in Centreville, Michigan and recently moved to the Muskegon area this summer. I look forward to supporting our students this school year, connecting to staff and families, and getting to know this wonderful community!
